

Canadian Resources

Name _____

Canada is rich in natural resources. Study the *Canada Products and Natural Resources* map (page 52). Determine which natural resources or products are available in each of the provinces and territories. Draw the symbol for each product or natural resource on the graph. The Province of Alberta has been done for you as an example.

Canadian Natural Resources and Products

	Moderate Producer			Major Producer
Alberta				 
British Columbia				
Manitoba				
New Brunswick				
Newfoundland				
Northwest Territory				
Nova Scotia				
Ontario				
Prince Edward Island				
Quebec				
Saskatchewan
